

The All Arabians Horse Association of BC (AAHABC) is a non-profit association of over two hundred members that has been operating in the Lower Mainland for over fifty years. Volunteers work hard each year to provide three competition opportunities for British Columbian equine enthusiasts. If you want to see beauty in motion, drop by and watch the versatile Arabian and Half-Arabian horses in action. Our first two events take place at Thunderbird Equestrian Show Park, in Langley, BC. Our third show of the year takes place at the Agriplex in Cloverdale BC. Spectators are always welcome and the admission is free!

Our program boasts over two hundred classes in a variety of equestrian disciplines: western, hunter, saddle seat, dressage, sport horse, halter, side saddle and native costume. The majority of the planning, preparation, and administration of the show is managed by hard working volunteer members. Our youngest exhibitors can start participating in lead line classes at the age of two! The cost of sponsoring one class is \$20 or three classes for \$50. These sponsorships help to cover the basic show costs; such as, facility rental, judges fees, ribbons, and first place prizes for youth competitors. As an alternative to sponsorship funding, we graciously accept donated products which will become part of our Silent Auction to fund the next activity.

Written recognition of our sponsors will be found in the show program as well as an announcement from Center Ring as the class enters the arena. We also post the names of our sponsors in the main arena as a way of saying 'Thank you'. We couldn't do it without you! Thank you for supporting the equestrians in your community and we hope to see you at the next show!
