Equestrian Canada Article A519 – Vaccinations

All horses attending EC sanctioned competitions must have been administered Equine Influenza and Equine Herpes Virus (1 and 4) vaccinations within six (6) months (+21 days grace period) before arrival at the competition. No horse shall have received vaccination within seven (7) days prior to arrival at the event. Horses not in compliance with this rule may be asked to leave event site at the discretion of competition management.

The frequency of vaccine administration should be as recommended by the vaccine manufacturer or veterinarian. It is recommended that vaccines be administered by or under the direction of a veterinarian. Competition management may request supporting documentation confirming a horse's compliance with mandatory vaccination requirements.

In the case of a horse that is unable to receive either of the vaccines, a letter must be provided with the entry form from a veterinarian, on official letterhead, stating the equine cannot be vaccinated due to medical concerns. At the discretion of competition management, a log of the horse's temperature prior to arrival at the event site or during the event can be requested.

Halter Division:

Entry Fee: \$15.00

Judging begins when the first horse enters the ring and its movement is being evaluated and scored. The horse shall enter at a trot and proceed around the arena. Upon each horse reaching the designated position at the far end of the arena, they are to remain relaxed. Horses shall be asked to walk collectively counter-clockwise and/or clockwise past each judge. They shall walk in a relaxed manner on a loose lead with the handler at the side of his horse, whips down. The lead line must maintain a discernible drape and the handler must not place his hand on the chain or close enough to in any way restrict the natural head and neck motion. The handler may not unnecessarily impede the forward motion of the horse while at the walk. Following the cessation of the walk all horses shall relax within the ring and only the horse 'on deck' shall be prepared to show. Each horse shall be led to the judge at the walk and presented for judging. ATTENTION AMERICAN EXHIBITORS

It is easy to cross the border. Take Exit 275 off I-5, for the Pacific Crossing. You can also use Sumas and Aldergrove. Pacific and Sumas are open 24/7. Aldergrove is open from 8:00 am – 12:00 pm.

To cross the border into Canada, you are required to have a United States origin Health Certificate, V.S. Form 17-40. The date it is issued must not be more than thirty (30) days prior to export. The certificate must have a USDA seal in the bottom left hand corner.

You must also have a valid Coggins test, which is good for up to one hundred and eighty (180) days from the date it is issued.

Prior to stopping at the Canadian Customs crossing, check with the American Customs office. It is suggested, not required, that at that time you leave them a list of tack and equipment in your trailer, which will make your return through the border somewhat faster. Proceed to the Canadian Customs office and have your papers checked. Returning home, go straight through to the American Customs office. It is NOT necessary to have a Veterinarian inspection if you are in Canada less than thirty (30) days. However, if you plan to be over thirty (30) days from the date the horses were checked at your farm, not crossing the border, you must have the above documents and meet the Veterinarian at the border for inspection between the hours of 8:00-10:00 AM, or 3:00-4:00 PM, Monday to Friday. The telephone number of the Veterinarian office in Blaine, WA is (206)332-8853. The phone number of the Canadian Veterinarian at the border is (604)538-3655, or the office at (604)538-3544.
